

# ALAMOSA PRESBYTERIAN CHURCH NEWS

April 7, 2010

Dear Friends in Christ,

Two words for this week: **BREAKFAST** and **BLISTERS**. **BREAKFAST** – because this coming Sunday is our monthly fellowship breakfast at 9:30. The UU’s are our hosts this month and I look forward to seeing you all there. **BLISTERS** – because the first set of projects for the **SAN LUIS VALLEY BLISTER FELLOWSHIP** is coming up soon and **YOU ARE NEEDED!** Do you have building skills? Gardening gifts? Cooking creativity? Can you devote two days to help another Presbyterian church in the Valley on Friday, April 30 and Saturday, May 1? Or could you help with one or more meals at our church during that time? Here is a description of what will be taking place throughout the Valley over those two days, taken from the SLV Blister Fellowship minutes of February 27:

The following projects will be included in the first work weekend:

Sam Vance - coordinator

- ❖ La Jara - pipe wrapping
- ❖ La Jara - minor wall repair and basement painting

Jim Boyd & Charlie Goff - coordinators

- ❖ San Pablo - renovation of parish floor

Joyce Pardington – coordinator

- ❖ Antonito - landscape clean-up

Jack Johnson - coordinator

- ❖ Alamosa - sand, stain, finish outside wood work and doors

Harold and Dave co-coordinators

- ❖ Monte Vista - remove, clean, reinstall storm windows
- ❖ Monte Vista - clean out flower bed at food bank

Henry and Dave - co-coordinators

- ❖ Del Norte - scrape and repaint eaves

The project work time will be two days. Coordinators should try to have a full 2 days work for 6-9 people lined up if possible (feel free to add work to what you wrote up if necessary). For outdoor projects, the coordinator should identify alternative indoor work should weather be a problem.

Dale will prepare dinner for the entire group (including family members) Saturday night. Dinner will be served at 5:30. Location TBD.

Of course besides those two “B’s”, don’t forget the two “P’s” – Provocative Proposals. We’ll be talking about them in worship this coming Sunday. How can helping with the Blister Fellowship (and sharing fellowship with the UU’s) help us bring our Provocative Proposals closer to reality? Bring your thoughts on that – and on how we can improve the PP’s – to church Sunday. And – were you there? – we had TEN children in worship last Sunday. How many will there be this week??? How many can you bring???

In Christ, Katherine

*PS SLV Cluster folks will be here at the church this Saturday morning (10-12) for our annual meeting and budget-setting. Feel free to join us – it’s your Cluster.* PPS My schedule has changed once again and it looks as though I will be in Alamosa most of the time from now on after all. I hope to be at the church in the mornings and at home with Eric in the afternoons.
